David Kunes, Chair

and Members of the Montgomery County Democratic Central Committee

3720 Farragut Avenue, Suite #303

Kensington, MD 20895

By this letter, I place my name forward for the “at large” vacancies on the Montgomery County Democratic Central Committee and affirm that I am slightly over eighteen years old and that I am a Democrat, registered to vote in Montgomery County.

I will send each of you a bit more information about why I would like to be on the MCDCC, but within the one page limit, I can tell you that I believe that this will facilitate my ability to take pictures of Democrats enthusiastically supporting Democrats as a method of outreach, presenting an opportunity for everyone who attends a Democratic event to share the pictures, thereby allowing friends to tell their friends that they are for Democrats – as I tell them, the most powerful communication in all of politics, “friends telling their friends who they’re for.”

In addition, I will say that I still favor the ideas I wrote to urge a new direction for the MCDCC, (see: [Facebook.com/notes/edward-kimmel/outreach-part-iv-of-mcdcc-ideas-id-ike-to-discuss/10152325809439493](https://www.facebook.com/notes/edward-kimmel/outreach-part-iv-of-mcdcc-ideas-id-ike-to-discuss/10152325809439493)), but I assure you that, if selected, I will be a team player and participate fully in the initiatives and policies of the full MCDCC.

Sincerely,

/s/ Edward Kimmel
