Chairman Kunes and members of the Montgomery County Democratic Central Committee,

Former colleagues, I am writing to inform you I am applying for the At-Large vacancies created by the resignations of Johntel Greene and Erin Yeagley. I am a registered Democrat, over the age of 18 residing in Silver Spring, MD, specifically District 19.

When my family and I moved out of District 20 earlier this year, per the rules of the Montgomery County Democratic Central Committee (MCDCC), I was required to resign my District seat on the committee. In my resignation, I informed you all that I would continue to serve with you and look for ways to remain active in the endeavors of the MCDCC. There was no way to forecast that I would have the opportunity to return to MCDCC; but I am gratefully for the opportunity and ask for your support.

In the last several years I have had the opportunity to do great work with you throughout the county on behalf of the party. I began my involvement as a precinct official in District 20 and was eventually appointed to be a member of the MCDCC. During my tenure, I participated on the volunteer committee for the Spring Ball in 2015, 2016, and 2017. I was an active member on the Ballot Question Sub-Committee when we researched and developed MCDCC's position on the pivotal term-limit ballot question. Also, I had a pleasure of being a part of the MCDCC's 2016 election task force, where my I was charged with coordinating volunteers and ensuring the volunteer were keep informed on opportunities to get engaged in the 2016 coordinated campaign efforts.

We have done great work together but there is still more to do. When I became a member of the MCDCC our principal mission was to strengthen the local party to ensure the defeat Governor Hogan in 2018. I want to return to the MCDCC to complete the mission. I understand the current role of the MCDCC and the challenges we face as we seek to expand our influence within the county. The 2018 election season is upon us and now is the time to engage our precinct officials, recruit volunteers, register voters, canvass our neighborhoods, and energize our base while attracting new supporters. I am prepared and dedicated to continuing this work with you as a member of the MCDCC. As a member of the military, I have a heighten sense of duty and mission success. I humbly ask for your vote for one of the vacancies on the MCDCC so that we can continue our work towards the defeat of Hogan in 2018 and reach mission success.

Best Regards,
